a mattress

Turn surplus cotton into better living

**EXTENSION SERVICE
U. S. DEPARTMENT OF AGRICULTURE**

WHAT IT TAKES TO MAKE A MATTRESS

Millions of American homes need new mattresses. At least 2 million bales of cotton would be required to meet that need.

Farm women, following directions of county home demonstration agents, demonstrate how to make good mattresses.

Texas Extension Service

Improving the bedroom furnishes better living and offers
a quick way to make good use of surplus cotton.

Details for making mattresses can be obtained from the county, State,
or Federal offices of the Extension Service.
